Work

Team Lead/ Supervisor

Propak Logistics

2017 - 2021

As the Team Lead/ Supervisor I oversaw a group of about twenty individuals to ensure production was most efficient while keeping a safe working environment. I wrote daily reports on the days production.

Dispatcher

Downtown Towing

2016 - 2017

Dispatched tow trucks throughout downtown Miami area from several different police entities. Entered data from phone calls and tow sheets into specialized TOW123 software. Dealt with all different types of customers while going through a usual traumatized situation.

Web Designer/ IT

MrWheels

2016 - 2017

Used Wordpress platform to add interactive multimedia using both video and images onto their existing website. I helped troubleshoot any security or connections issues related to website.

Owner/ CEO

Malia Business Services, AW Gaming

2009 - 2015

Communicated with over 10,000+ customers on custom orders. Marketed and branded names of different products for sales. Made weekly deals with international suppliers in China, Europe, and the Middle East.
